InovaTools®
GERMAN TOOLS GROUP

CERTIFICATE
OF QUALIFICATION

This is to certify that

Colly Verkstadsteknik AB

based in

Raseborgsgatan 9, 164 74 Kista, Sweden

has been trained and qualified by **INOVATOOLS Eckerle & Ertel GmbH** to develop regrinding programmes and to professionally regrind, measure and reproduce the specified tool geometries.

This certificate confirms the qualification for the regrinding of the following products and geometries:
Solid Carbide Drills - HP-Line | First Choice
503, 505, 703, 705

The validity of this certificate is maintained subject to regular audits and continued compliance with the applicable quality standards.

Date of issue: 30. September 2026
